Dear Mr. Weisberg,

Thank you for your letter of January 7th. I hope all went well with your surgery. Get well soon!

I am currently working on completing a chapter of my book outlining my analysis of the shooting. After printing several copies, I am sending it to other researchers for their comments and advise. I hope that I can benefit by the input of others with more and different knowledge. Perhaps I can fill in the gaps left open by anything I may have missed.

When my chapter on the shooting is complete, you will recieve the first copy. I can assure you that any criticism you can offer will be greatly appreciated.

Enclosed is a check and an order form. Your books will be most helpful.

Thank You,

W. Jefferys Lambert
